

President's Message

Our WEB SITE is not up and running yet, but that's because we want to make sure we get it right. We have found many old pictures in the upstairs storage at the Club that we are adding to the web site. I encourage all of you too look into your old shoe boxes where you have all those pictures and look for pictures of past Trentino Events and bring them to the Club for addition to our web site. Please make sure that on the back of the picture you write the year of the event, the name of the event and your name, otherwise we are not sure where to place the picture on the web site and we want to make sure we return the original pictures to you.

Check out the important dates for all the upcoming events. In particular, Friday, November 16 – General Meeting at 8:00 pm, we will hand out the Club Financial Statements and have a discussion on what we have done and plan to do over the next year. We also need to hold a vote on the change of the Club name. Our documents state our name as The Tyrolean Trentin Social Club of Toronto, however we are known and have been known at ITTONA and with the Trentini Nel Mondo as Trentino Club of Toronto (our sign on our Club location also is named that way). So we will vote to change the name at this meeting.

SKI TRIP, yes a Ski Trip. We are going to arrange for several youth (age 19 to 29) to get together and organize a Ski Day Trip. We the Director's will provide support both administrative and financial for our youth, but YOU THE YOUTH will organize, run, assemble and execute the Ski Trip. YES no old people will be there, only you from the ages of 19 to 29. As soon as we have a date for a meeting at The Club, then ANY and ALL Trentini Youth who wish to go on this Ski Trip should attend. We will spread the word of this date soon. And what do we mean by spreading the word, well the best way possible. We will let the Women's Group know and they will do their magic. So all you Trentini Youth between the ages of 19 to 29 plan come to this meeting to discuss a Ski Trip for YOU AND ONLY YOU.

If you did not know, our Club was recently in the Corriere Canadese newspaper, SNAP Magazine and the Panorama Magazine. I even noticed an article in the Panorama Magazine of a Trentino Youth whose father is from Spormaggiore. I am not saying anything else as you have to read it yourself to find out who her Trentino father is.

Now that we have renovated the Club, added color to the Baita, increased our membership and increased our sponsors. It is time for adding events for more participation. This is where our TWO 60 inch televisions come into play. Keep an ear out and eyes open for upcoming sporting events. Hockey (hopefully), Soccer, F1 and Football. For all Trentino's and their friends (Trentino and Non-Trentino) to watch a sporting event in a group, share some drinks and food.

For any comments or suggestions or news or events to be inserted into our Baita, please telephone or email Aldo Cologna at cologna@sympatico.ca (905) 676-9608 or David Corazza at dcorazza@clubtrentino.ca (905) 832-6404 This newsletter is also available in Italian and in electronic formats

Open House Sept 28

During the last few months many volunteers worked hard to carry out our desire of renovating and modernizing the club facilities. This was presented to our community at our open house Sept 28. We were the first event for the new Italian Consul General for Toronto, Min. Plen. Tullio Guma, and his wife Anna. Also present were the Regional Councillor / *Deputy Mayor* for the City of Vaughan, **Gino Rosati**.

Loretta Daneluzzi Cal, Canadian Coordinator of EFASCE Toronto, Progetto Giovani and Young Adults Exchange Programs
Danilo Cal, Capo Gruppo, Alpini Toronto Centro, attended.

Trentino Club Annual Picnic 2012

It was one of the biggest turnouts in recent history for The Trentino Club of Toronto's Club Annual Picnic, and committee members were happy to note that many of the picnic-goers were of the new Trentino generation. This year's festivities were celebrated with great success on August 12 at Doctor's McLean Park in Woodbridge. Guests of the picnic enjoyed a traditional mass led by Father Renzo Moser, then sat back and relaxed with great food and picnic fun. They were served sausages and polenta, along with hamburgers for the children, and watched as their kids participated in the many activities planned for the day. Current

Trentino Club President, David Corazza, shares his earlier picnic days with fondness: "As a child I looked forward to that annual trip...to run around the area and play the games set up for us. Those memories are with me now and will always be with me." The Trentino Club of Toronto was founded in 1965. However, long before a committee was set in place to officially uphold Trentino traditions, families of this Italian region living in the Toronto area took matters into their own hands and gathered every summer for a community picnic. Their yearly gathering turned into what is now the club's annual picnic. (Danila Di Croce)
