

## **President's Message**

“If you build it they will come” – this is a famous line in the movie “Field of Dreams” with Kevin Costner. That is what we the directors are hoping. We have renovated our Club Trentino (not the Casa Trentina). What have we done ? Well let's describe in sections. The Kitchen – better lighting, fresh coat of paint, racking and shelving on wheels (so no more carrying/stacking those 100 plus plates) and an industrial dishwasher that cleans 20 plates in 2 minutes (no more hand scrubbing). The Bar – better lighting, fresh coat of paint and better ventilation to help keep our fabulous bartenders stay cool while they serve. Upstairs - replacement of the hot water tank and a general house cleaning to clear out things that are no longer needed. The Hall – fresh coat of paint, re-allocation of the display cases, some new wood flooring, new tiles in the entrance, new ceiling tiles, our Club flag, Italian flag and Canadian flag proudly displayed, many hidden and forgotten paintings from upstairs now hung on the Club Hall wall and finally two large flat screen TVs where we will regularly open the Club to various televised sporting events. So come one and all to see how the hard work of our volunteers has brought a new look to our Club. On Friday September 28, 2012 from 7:30 onwards at 3300 Steeles Ave. West, we will have an open house to show the renovations we have done. Light snacks will be provided. Unfortunately there will be no seating for this event as it is a meet and greet.

Our new web site will also be open to all that day. We started with pictures of the events in February and we will continue to add pictures at every event. We also found old pictures upstairs that are now on our web site. As we continue to add to our web site, we ask that you please look for pictures that you have from past Trentini events and email those pictures to Ivo Finotti [ifinotti@clubtrentino.ca](mailto:ifinotti@clubtrentino.ca)

# Annual Trentino Picnic

*Tremendous success this year. There were over 40 hamburgers served to children under 16 and 218 plates of salsicce e polenta. There were more people than in recent memory including a lot of the new generation.*

*As usual volunteers made the sausages before the picnic and then cooked the polenta to perfection at the picnic.*

*Thank you to all the volunteers. Those who set up the picnic. Those that made the sausages, those that stirred the polenta and those that served.*

*A special thanks to Maria Tanel and her team for organizing all the children's games including the tug of war.*

**Father Claudio Moser said Mass.**

**Our very own motorcycle club made an appearance.**

***We even celebrated a couple of birthdays !***

## ANGOLO della DONNA

The September trip will be Saturday, September 29 leaving at 10:30 from the Club and returning shortly after 9 after a cruise on Lake Ontario with lunch, sightseeing visiting some characteristic and little known places of the city and dinner in an interesting restaurant. Please check with Mariarosa Rizzi for any availability. The first meeting will be Tuesday, October 2 to draw up a general program for the coming year

Do not forget that the Bazaar Sunday, December 2 and in this regard I thank those who have premonition to bring their articles intended for sale. Hoping to see you soon,

Lucia

## Reebok Adidas Rockport Trentino Club Week September 28 to October 7

Our vice president has secured a special 40% discount off new current merchandise at the Reebok Adidas Rockport TaylorMade corporate store at 8100 Highway 27 near the 407 and 27. This is the head office flagship store featuring all the new offerings with a 40% discount and is NOT open to the general public. You can only shop there with the attached invitation for the limited time of the invitation. You need to bring the enclosed invitation to gain entry. We can visit this store for 10 days starting Friday September 28 and ending Sunday October 7. You can photocopy the enclosed invitation for your friends and family. We know the address on the invitation is hard to read so here it is again **8100 Highway 27, Woodbridge, (905) 244-4400**

In July the Tirolesi Trentini del Minnesota Club hosted the 20<sup>th</sup> ITTONA Convention. As you can see from our picture we had 14 Toronto Trentini attend. The Minnesota Club did a great job with the accommodations, food and events. Not only did we get to say hello to individuals we have not seen in a while we got to explore and learn about a fellow communities history, Mount Iron, Minnesota. There was displayed at the convention a beautiful 3D picture of the Province of Trento with small flags of the Trentini towns of those that were present at the convention. This was a great idea and we are going to use it also and have that same picture at our Toronto Club with the flags of the Trentino towns of the Toronto Trentini. We have taken over 70 pictures which you will be able to view on our web. The next convention is in Ogden, Utah on July 17 – 20, 2014. They last had the convention in 1994.

*We had a strong representation of 14 people from our Toronto Club.*

*There was representation from most of the 27 American and 5 Canadian clubs*

*We also saw an innovative map of Trentino with tags for locations of members' origins*
